**Mail Stop Amendment**  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

In an Office Action mailed October 2, 2003, a Notice of Draftsperson's Patent Drawing Review was attached. The Notice of Draftsperson's Patent Drawing Review outlined a number of objections to the figures. In the Amendment dated November 3, 2003, Applicant requested that the Examiner's request for new and formal drawings be held in abeyance until the patent application is allowed.

This request appears to have been granted, as prosecution of the Application continued without further consideration of this issue.

If for any reason, the U.S. Patent and Trademark Office believes this application to be abandoned due to lack of response to the Notice of Draftsperson's Patent Drawing Review, Applicant hereby files a Contingent Petition For Revival of this application.
